

HARTFORD ADVISORY COMMISSION ON FOOD POLICY

- Name of Award: **Community Food Security Award 2005**
- Definition: **In recognition of efforts to strengthen local food systems, improve nutrition, and empower communities to move toward long-term food security, all in the effort of decreasing hunger in Hartford.**
- Purpose: **To raise public awareness of the need for community food security planning and programs through the recognition of individuals and/or groups demonstrating successful strategies to improve food security in Greater Hartford.**
- Eligibility: **Individuals, For-profit groups, Non-profit groups, public service, and government agencies.**
- Criteria: **The Hartford Food Policy Commission will select 3 award recipients. One award recipient will be an individual. One award recipient will be from the business/for-profit organization category. One award recipient will be from the non-profit organization/public service/government agency category.**
- Relevant criteria for selection includes nominee's contribution in the areas of advocacy, education, emergency assistance, food access, food system planning, nutrition and health programs, outreach and partnerships between local farms and consumers in the greater Hartford area. Responses to questions on nomination form along with submitted materials will assist in selection of award recipients.**

Community Food Security Award

Community Food Security means strong, sustainable, local and regional food systems that ensure access to affordable, nutritious, and culturally appropriate food for all people at all times. Community Food Security encourages communities to be self-reliant by growing, manufacturing, processing, and selling food that is regionally based and grounded in the principles of justice, democracy, and sustainability.
